PREPARATION OF MANUSCRIPTS

1. Articles have to be composed with a word-processor for PC in a "doc" or "opd" file extensions preferably. Articles have to be submitted via the application "Submit Articles" on the site <https://revistes.iec.cat/index.php/AHCT/index>.
2. Submission of a manuscript implies your assurance that the content has not previously been published in form or in substance, and that the manuscript itself is not under consideration elsewhere.
3. Articles should not exceed 15,000 words, including pictures, footnotes and bibliography.

ORGANIZATION OF ARTICLES

1. The title page should bear the title of the article written in capitals, and name, surname, and the professional setting of the author/s. Please, be sure to remove any self-referencing footnotes as well. However, if relevant self-references should be included as if they were from third author(s). If your identity is obvious from the manuscript, it cannot be sent out for review.

Articles always include an abstract in about ten lines and the key words both in English.

2. If your manuscript contains illustrations, they must be sent in separate files. They must be high resolution grey scale or black-and-white, JPG, GIF, TIF or BMP format. Do not submit images embedded in text. Location of images or figures must be clearly indicated in the text.
3. Footnotes are to be numbered consecutively, with superscript numerals placed outside the punctuation, thus: «...according to Polanyi.7». However you are required to use footnotes only when necessary.
4. Quotations have to be inserted in the text according to the following models:
 - One author: (Collins, 1992: 129-130)
 - Two authors: (Scheidecker & Laporte: 1999)
 - More than two authors: (Usselman et al., 2005: 1-55)
