

## List of reviewers - 2009

The editorial staff of INTERNATIONAL MICROBIOLOGY thanks the following persons for their invaluable assistance in reviewing manuscripts from January 1, 2009, through December 2009. The names of several reviewers have been omitted at their request.

- Ariño, Joaquín. Autonomous University of Barcelona, Bellaterra, Spain  
 Aranda, Jesús. Autonomous University of Barcelona, Bellaterra, Spain  
 Asao, Marie. Ohio State University, Columbus, OH, USA  
 Ávalos, Javier. University of Sevilla, Sevilla, Spain  
 Baptista, Antonio S. Universidade de Sao Paulo, Sao Paulo, Brazil  
 Barbé, Jordi. Autonomous University of Barcelona, Bellaterra, Spain  
 Battchikova, Natalia. University of Turku, Turku, Finland  
 Bazylnski, Dennis A. University of Nevada, Las Vegas, NV, USA  
 Berlanga, Mercedes. University of Barcelona, Barcelona, Spain  
 Bidle, Kelly. Rider University, Lawrenceville, NJ, USA  
 Bierne, Hélène. Institut Pasteur, Paris, France  
 Blanco, Jorge. University of Santiago de Compostela, Santiago de C., Spain  
 Borrego, Juan J. University of Málaga, Málaga, Spain  
 Boxman, Ingeborg. Food and Consumer Product Safety Authority, Zutphen, Netherlands  
 Bruno, David W. Fisheries Research Services, Aberdeen, UK  
 Brzezinski, Ryszard. University of Sherbrooke, Sherbrooke, Canada  
 Campoy, Susana. Autonomous University of Barcelona, Bellaterra, Spain  
 Casadesús, Josep. University of Sevilla, Sevilla, Spain  
 Casadevall, Arturo. Albert Einstein College of Medicine, New York, NY, USA  
 Coll, Pere. Sant Pau Hospital, Barcelona, Spain  
 Cortés, Pilar. Autonomous Univ. of Barcelona, Bellaterra, Spain  
 Croci, Luciana. Istituto Superiore di Sanità, Rome, Italy  
 Dekker, Robert FH. Lakehead University, Thunder Bay, Ontario, Canada  
 Diez, Beatriz. Institute for Marine Sciences-CSIC, Barcelona, Spain  
 Donia, Domenica. University Tor Vergata, Rome, Italy  
 Dozois, Charles M. INRS-Institut Armand-Frappier, Laval, Québec, Canada  
 Echavarrí, Carlos. University of Wisconsin, Madison, WI, USA  
 Folch-Mallol, Jorge. Autonomous Univ. of Morelos, Cuernavaca, México  
 Fox, Alvin. USC School of Medicine, Columbia, SC, USA  
 Funk, Christiane. Umeå University, Umeå, Sweden  
 Garcia-Pichel, Ferran. Arizona State University, Tempe, AZ, USA  
 Goerke, Christiane. University of Tübingen, Tübingen, Germany  
 Golubet, Wladislav I. Russian Academy of Sciences, Pushchino, Russia  
 Gómez-Castilla, Jordi. Technical Park Health Sciences, Granada, Spain  
 González-Villa, Tomás. University of Santiago de C., Santiago de C., Spain  
 Gozalbo, Daniel. University of Valencia, Valencia, Spain  
 Guarro, Josep. University Rovira Virgili, Reus, Spain  
 Guerrero, Ricardo. University of Barcelona, Barcelona, Spain  
 Harland, Elizabeth. University of Melbourne, Victoria, Australia  
 Hernández-Mariné, Mariona. University of Barcelona, Barcelona, Spain  
 Hendriksen, Niels B. Aarhus University, Aarhus, Denmark  
 Henshilwood, Kathleen. Marine Institute, Galway, Ireland  
 Herrero, Enric. University of Lleida, Lleida, Spain  
 Imperial, Juan. Center for Plant Biology & Genomics, Madrid, Spain  
 Jiménez-Cid, Victor. Complutense University of Madrid, Madrid, Spain  
 Juez, Guadalupe. University Miguel Hernández, Alicante, Spain  
 Levin, Robert E. University of Massachusetts, Amherst, MA, USA  
 Lindahl, Anna M. Plant Photosynthesis & Biochemistry Inst., Sevilla, Spain  
 Lins, Ulyses. Federal University of Rio de Janeiro, Rio de Janeiro, Brazil  
 Linton, Chris. Bristol University, Bristol, UK  
 Llagostera, Montserrat. Autonomous Univ. of Barcelona, Bellaterra, Spain  
 Lo Giudice, Angelina. University of Messina, Messina, Italy  
 Manceau, Charles. French National Institute for Agricultural Research, Beauvoze, France  
 Martínez-Bueno, Manuel. University of Granada, Granada, Spain  
 Martins, Ligia O. Inst. Technical Chemistry and Biology, Oeiras, Portugal  
 Mas-Castellà, Jordi. Catalan Foundation for Research, Barcelona, Spain  
 Méndez, Sebastián. University of La Laguna, Sta. Cruz de Tenerife, Spain  
 Miñana, David. University of Barcelona, Barcelona, Spain  
 Montesinos, Emilio. University of Girona, Girona, Spain  
 Morikawa, Masaaki. Hokkaido University, Sapporo, Japan  
 Murillo, Jesús. Public University of Navarra, Pamplona, Spain  
 Neilan, Brett A. The University of New South Wales, Sydney, Australia  
 Ogawa, Naoto. Shizuoka University, Shizuoka, Japan  
 Papageorgiu, John. University of Athens, Athens, Greece  
 Penadés, José R. INVIA, Segorbe (Castellón), Spain  
 Perry, Robert. University of Kentucky, Lexington, KY, USA  
 Phillips, D. Alan. Royal Free Hospital, London, UK  
 Pisabarro, Gerardo. Public University of Navarra, Pamplona, Spain  
 Piqueras, Mercè. Catalan Assoc. for Science Comm., Barcelona, Spain  
 Rensing, Christopher. The University of Arizona, Tucson, AZ, USA  
 Rodríguez, M. Esther. University of Cádiz, Cádiz, Spain  
 Ros, Joaquim. University of Lleida, Lleida, Spain  
 Rothrock, Michael J. Coastal Plains Soil, Water & Plant Research Center, Florence, SC, USA  
 Schüller, Dirk. University of München, Planegg-Martinsried, Germany  
 Skinner, Nicole. Institute for Catalan Studies, Barcelona, Spain  
 Stolz, John. Duquesne University, Pittsburgh, PA, USA  
 Suárez, J. Evaristo. University of Oviedo, Oviedo, Spain  
 Tavares, Fernando. University of Porto, Porto, Portugal  
 Vasil, Mike. University of Colorado, Denver, CO, USA  
 Villanueva, Laura. NIOZ, Texel, Netherlands  
 Vinuesa, Pablo. Natl. Autonomous Univ. of México, Cuernavaca, México  
 Weber, Karrie A. University of Nebraska, Lincoln, NE, USA  
 Williamson, Peter R. Chicago School of Medicine, Chicago, IL, USA

**Books Reviewed in Volume 12 - 2009**

Myxobacteria: multicellularity and differentiation

David E. Whitworth (ed)

ASM Press, Washington, DC, USA, 2008

ISBN: 978-1-55581-420-5. Reviewed in 12(1), pp 75–76

Pathogens and toxins in foods. Challenges and interventions

Vijay K. Juneja, John N. Sofos (eds)

ASM Press, Washington, DC, USA, 2009

ISBN 978-1-55581-459-5. Reviewed in 12(4), pp 253–254

Environmental molecular microbiology

Wen-Tso Liu, Janet K. Jansson (eds)

Caister Academic Press, Norfolk, UK, 2010

ISBN 978-1-904455-52-3. Reviewed in 12(4), pp 254–255
