

- Las figuras y tablas incorporarán los correspondientes pies en un apartado titulado 'PIES DE FIGURA' o 'PIES DE TABLA' en el documento de texto del artículo, y después en la Bibliografía.

Un vez los trabajos se hayan recibido se enviarán para revisión al o a los especialistas que el Consejo de Redacción considere oportunos. Las correcciones así como los comentarios de los revisores serán devueltos a los autores para que hagan las consideraciones oportunas. El seguimiento estricto de estas normas de publicación de la RCM es condición previa para iniciar el proceso de revisión del trabajo.

INSTRUCTIONS TO AUTHORS

The Revista Catalana de Micologia (RCM) accepts articles preferably written in Catalan, Castilian or English although French and Italian are also accepted. Although there is no limit to the size of the paper, articles longer than 20 pages are subject to approval by the Publication Committee. Below is a tabulated list of the requirements for the preparation of the manuscript. We advise authors to tick the boxes on completion of the recommendations/requirements and send them on a separate sheet as an attachment to the manuscript.

- The originals and the check sheet should be sent electronically to: Revista@mococat.org. If the work is too heavy (especially photographs) for normal electronic mail, alternative systems (e.g. Dropbox) could be used. Post office mail, CD's, DVD's, etc. will not be accepted
- The text should be written in *.doc or *.docx formats of Microsoft Word
- Articles should be written in "Time New Roman" characters, body 11 and space 1,5
- Page size DIN A4, with margins of 2,5 cm. (upper and lower) and 3 cm. (right and left)
- Underlining, tabulations, bold letters and indentations should be avoided
- Only (see exceptions in the "Bibliography") genus and species names should be in italics. For supra generic categories, only the first letter is in upper case if the taxon is written in Latin. Otherwise it should be in lower case (e.g. Tricholomataceae, tricolomataceas).
- The titles of the different sections will be in capitals (INTRODUCTION, MATERIALS AND METHODS, BIBLIOGRAPHY, etc.).

The first page of the article should mention in the following order:

- The title of the article in capital letters
- The author(s) with a complete postal address, email and telephone number
- A SUMMARY in the original Language of the article not to exceed 15 lines with a maximum of 6 KEY WORDS (in capitals) which should not be in the article's title.
- A second ABSTRACT in English with the title of the article and 6 key words with the same criteria as for the original language.

Bibliography:

- This section should be capitalized: BIBLIOGRAPHY
- The following models should be followed:
KÜHNER, R. & ROMAGNESI, H (1978).- *Flore analytique des champignons supérieurs*. Ed. Masson, Paris. 557 pp.
ORTON, P. D. (1960). - New check-list of British agarics and boleti. III. *Trans. Brit. Mycol. Soc.*, 43(2): 159-439
- Citations in the text should be as follows: "according to FRIES (1937)", "BON & BELLU (1966)", "MALENÇON et al., 1975)", or: (PEGLER, 1974: 234)"
- Only the papers mentioned in the text should be referred to. The final bibliographic list should be arranged alphabetically by the authors name and their papers listed chronologically.
