1. Atenent que l'erudit interessat en la història medieval dels Països Catalans i lector de la nostra revista serà versemblantment el principal usuari d'aquesta llista bibliogràfica, hi hem inclòs també un cert nombre d'historiadors catalans —Rovira i Virgili, Soldevila, Nicolau d'Olwer, Mundó i d'altres— que, si bé han tractat poc la història del judaisme medieval català, llur obra hi fa sovint referència i sobretot forneix el marc general en què aquella història es va esdevenir. D'altra banda, cal dir que cent-divuit d'aquestes referències (ací assenyalades amb un \* i en algun cas completades) ja foren publicades a *Tamid*, 2 (1998-1999), p. 253-268.
